Chester Memorial Trophy – Most congenial Horse:

*Sponsor – **Ollie Chasse***

Maggie has done both beginners and open, many times at the same show. She safely carried her newbie, trotting around the x's, and then stepped up to win multiple hack and open classes. She happily would go on a loose rein and win the pleasure hack, and then frame up for her rider and go forward to win the road hack. She would bravely jump regardless of her riders' missed spots, or iffy steering. She was always in the ribbons.

Maggie is the Chester Horse of the year

Glidden Memorial Trophy– Most Improved rider

*Sponsor – **The Glidden Family, Dunnville***

At the first show in May, one of the comments was 'that horse looks too much for that rider'. By August, they were a much better matched pair. They took on both English and Western disciplines and worked hard to achieve her truck-load of trophies, even tackling the dreaded Freestyle class in July and August. **Mya Tovey-Ingram** is your Most Improved Rider for 2024.

Evelyn Dales – Outstanding Contribution

Most of you do not know her name. This person puts her head down, diligently does her work and never seems to panic. She is in the booth at the shows, does set-up for Trail Horse Trials and was a Whoa-Back for the competition. She even took on the Show Secretaries' "Black Box". She is a most valuable volunteer. You will all know her name now.

Jackie Ferguson has earned this Award for Outstanding Contribution in 2024.

Pat Dales - Outstanding Effort

Horsemanship, Sportsmanship and Fellowship. That really describes this year's recipient. Showing in all the shows to a couple of trophies and braved the rain to make sure she could go in her classes, She also developed the RTR TikTok presence on-line, using her horse as the "mascot" for the club. The judges at Trail Horse Trials recognized the Sportsmanship and Fellowship with the top marks in both categories and noted the betterment of Horsemanship as well.

Bri Dales, you have put your name alongside your Grandfather, your Grandmother, your Father, your Mother and your Aunt Anne on this award. Thank you for your Outstanding Effort .
